Alamo Gold & Silver Tequila

In the Mexican state of Jalisco, volcanic soil cradles the blue agave plants that create Alamo - your new favorite tequila. And the Hernandez Estate near Guadalajara located high in the mountains provides the perfect combination of sunlight, soil and moisture for growing the best quality Weber Blue Agave nature can produce.

These unique spirits are fermented and distilled according to stringent Tequila Regulatory Council guidelines and we print our Norma Oficial Mexicana designation number on every bottle so you can be assured you are getting nothing less than certified authentic tequila. Together, the region's natural bounty and estate's craftsmanship create a collection of tequilas unlike any other available in Canada: epic taste at amazing prices to help you pay for your next Mexican getaway.

Alamo Gold Tequila

Tasting Notes: Pale amber color. Aromas and flavors of salty roasted almonds, pecan pie, coconut macaroon, and creme brulee with a supple, fruity-yet-dry medium-to-full body and a long, toffee, mocha, dried fruit and spice finish. A rich decadent and artfully balanced Cognac-like Tequila. Touches of roasted peppers, peppercorns, and herbs round out the finish nicely.

Alamo Silver Blanco Tequila (100% Agave)

Tasting Notes: Clear. Pure roasted agave aromas and flavors of yams, olives, cashew nougat, cream, and delicate spice with a silky, dry-yet-fruity medium body and an elegant dried fruit, pepper, chalk, and grass accented finish. Incredibly smooth with great purity, flavor and style. Aromas of dried pineapple, red pepper quiche, strawberry, and fresh herbs. Round and satiny with a smooth fruity-yet-dry medium-full body. Superbly complex and dynamic on the finish with notes of tropical citrus, dried flowers, leather, honey, and peppery spice. Sensational.
